## Product Datasheet

### **PRKY antibody [3E10], IgG2a, Clone: [3.00E+10], Unconjugated, Mouse, Monoclonal GTX83810**

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | PRKY antibody [3E10], IgG2a, Clone: [3.00E+10], Unconjugated, Mouse, Monoclonal          |
| Artikelnummer            | GTX83810                                                                                 |
| Hersteller Artikelnummer | GTX83810                                                                                 |
| Alternativnummer         | GTX83810-100                                                                             |
| Hersteller               | GeneTex                                                                                  |
| Wirt                     | Mouse                                                                                    |
| Kategorie                | Antikörper                                                                               |
| Applikation              | ICC, IHC-P, WB                                                                           |
| Spezies Reaktivität      | Human                                                                                    |
| Immunogen                | Full-length protein expressed in 293T cell transfected with human PRKY expression vector |
| Konjugation              | Unconjugated                                                                             |
| Klonalität               | Monoclonal                                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                 |
| Klon-Bezeichnung         | [3.00E+10]                                                                               |
| Isotyp                   | IgG2a                                                                                    |
| NCBI                     | <a href="#">5616</a>                                                                     |

|                        |                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                                            |
| Formulierung           | Liquid                                                                                                                                                    |
| Anwendungsbeschreibung | WB: 1:500-1:1000. ICC/IF: 1:100. IHC-P: 1:50. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
