## Product Datasheet

### DHPS antibody [2C9], IgG2a, Unconjugated, Mouse, Monoclonal GTX84616

|                          |                                                                                           |
|--------------------------|-------------------------------------------------------------------------------------------|
| Artikelname              | DHPS antibody [2C9], IgG2a, Unconjugated, Mouse, Monoclonal                               |
| Artikelnummer            | GTX84616                                                                                  |
| Hersteller Artikelnummer | GTX84616                                                                                  |
| Alternativnummer         | GTX84616-100                                                                              |
| Hersteller               | GeneTex                                                                                   |
| Wirt                     | Mouse                                                                                     |
| Kategorie                | Antikörper                                                                                |
| Applikation              | WB                                                                                        |
| Spezies Reaktivität      | Human                                                                                     |
| Immunogen                | Full length human recombinant protein of human DHPS (NP_001921) produced in HEK293T cell. |
| Konjugation              | Unconjugated                                                                              |
| Klonalität               | Monoclonal                                                                                |
| Konzentration            | 0.85 mg/ml (Please refer to the vial label for the specific concentration.)               |
| Klon-Bezeichnung         | [2C9]                                                                                     |
| Molekulargewicht         | 41                                                                                        |
| Isotyp                   | IgG2a                                                                                     |
| NCBI                     | <a href="#">1725</a>                                                                      |

|                        |                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P49366</a>                                                                                                  |
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                          |
| Formulierung           | Liquid                                                                                                                  |
| Anwendungsbeschreibung | WB: 1:2000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
