## Product Datasheet

### **CD4 antibody [18E3], IgG2b, Clone: [1.80E+04], Unconjugated, Mouse, Monoclonal GTX84714**

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | CD4 antibody [18E3], IgG2b, Clone: [1.80E+04], Unconjugated, Mouse, Monoclonal           |
| Artikelnummer            | GTX84714                                                                                 |
| Hersteller Artikelnummer | GTX84714                                                                                 |
| Alternativnummer         | GTX84714-100                                                                             |
| Hersteller               | GeneTex                                                                                  |
| Wirt                     | Mouse                                                                                    |
| Kategorie                | Antikörper                                                                               |
| Applikation              | FC, WB                                                                                   |
| Spezies Reaktivität      | Human, Rat                                                                               |
| Immunogen                | Full length human recombinant protein of human CD4 (NP_000607) produced in HEK293T cell. |
| Konjugation              | Unconjugated                                                                             |
| Klonalität               | Monoclonal                                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                 |
| Klon-Bezeichnung         | [1.80E+04]                                                                               |
| Molekulargewicht         | 51                                                                                       |
| Isotyp                   | IgG2b                                                                                    |

|                        |                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">920</a>                                                                                                                 |
| UniProt                | <a href="#">P01730</a>                                                                                                              |
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                                      |
| Formulierung           | Liquid                                                                                                                              |
| Anwendungsbeschreibung | WB: 1:2000. FCM: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
