## Product Datasheet

### **CAPZA1 antibody [7C8], IgG1, Unconjugated, Mouse, Monoclonal GTX84736**

|                          |                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------|
| Artikelname              | CAPZA1 antibody [7C8], IgG1, Unconjugated, Mouse, Monoclonal                                |
| Artikelnummer            | GTX84736                                                                                    |
| Hersteller Artikelnummer | GTX84736                                                                                    |
| Alternativnummer         | GTX84736-100                                                                                |
| Hersteller               | GeneTex                                                                                     |
| Wirt                     | Mouse                                                                                       |
| Kategorie                | Antikörper                                                                                  |
| Applikation              | FC, WB                                                                                      |
| Spezies Reaktivität      | Canine, Human, Monkey, Rat                                                                  |
| Immunogen                | Full length human recombinant protein of human CAPZA1 (NP_006126) produced in HEK293T cell. |
| Konjugation              | Unconjugated                                                                                |
| Klonalität               | Monoclonal                                                                                  |
| Konzentration            | 0.56 mg/ml (Please refer to the vial label for the specific concentration.)                 |
| Klon-Bezeichnung         | [7C8]                                                                                       |
| Molekulargewicht         | 33                                                                                          |
| Isotyp                   | IgG1                                                                                        |
| NCBI                     | <a href="#">829</a>                                                                         |

|                        |                                                                                                                         |
|------------------------|-------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P52907</a>                                                                                                  |
| Puffer                 | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                                                          |
| Formulierung           | Liquid                                                                                                                  |
| Anwendungsbeschreibung | WB: 1:2000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
