| Artikelname              | RASD2 antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                                    |
| Artikelnummer            | GTX85428                                                                                                                                                                            |
| Hersteller Artikelnummer | GTX85428                                                                                                                                                                            |
| Alternativnummer         | GTX85428-100                                                                                                                                                                        |
| Hersteller               | GeneTex                                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                          |
| Applikation              | ELISA, IHC-P, WB                                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                   |
| Immunogen                | RASD2 antibody was raised against a 15 amino acid synthetic peptide near the carboxy terminus of the human RASD2. The immunogen is located within the last 50 amino acids of RASD2. |
| Konjugation              | Unconjugated                                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                                          |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                                            |
| Molekulargewicht         | 30                                                                                                                                                                                  |
| Sensitivitaet            | This antibody is specific for RASD2 C-Terminus                                                                                                                                      |
| NCBI                     | <a href="#">23551</a>                                                                                                                                                               |
| UniProt                  | <a href="#">Q96D21</a>                                                                                                                                                              |

|                        |                                                                                                                                                |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 0.02% Sodium azide.                                                                                                                       |
| Formulierung           | Liquid                                                                                                                                         |
| Anwendungsbeschreibung | WB: 1 - 2 µg/mL. IHC-P: 2.5 µg/mL. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
