## Product Datasheet

### Anoctamin 7 antibody, Unconjugated, Rabbit, Polyclonal GTX87092

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| Artikelname              | Anoctamin 7 antibody, Unconjugated, Rabbit, Polyclonal                                           |
| Artikelnummer            | GTX87092                                                                                         |
| Hersteller Artikelnummer | GTX87092                                                                                         |
| Alternativnummer         | GTX87092-100                                                                                     |
| Hersteller               | GeneTex                                                                                          |
| Wirt                     | Rabbit                                                                                           |
| Kategorie                | Antikörper                                                                                       |
| Applikation              | ICC, IHC-P                                                                                       |
| Spezies Reaktivität      | Human                                                                                            |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human Anoctamin 7 (881-930). |
| Konjugation              | Unconjugated                                                                                     |
| Klonalität               | Polyclonal                                                                                       |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                 |
| NCBI                     | <a href="#">50636</a>                                                                            |
| UniProt                  | <a href="#">Q6IWH7</a>                                                                           |
| Puffer                   | PBS, 150mM NaCl, 50% Glycerol, 0.02% Sodium azide.                                               |
| Formulierung             | Liquid                                                                                           |

Anwendungsbeschreibung

ICC/IF: 1:100~1:500. IHC-P: 1:50~1:100. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
