## Product Datasheet

### PNPLA3 antibody, Internal, Unconjugated, Goat, Polyclonal GTX88810

|                          |                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------|
| Artikelname              | PNPLA3 antibody, Internal, Unconjugated, Goat, Polyclonal                                                      |
| Artikelnummer            | GTX88810                                                                                                       |
| Hersteller Artikelnummer | GTX88810                                                                                                       |
| Alternativnummer         | GTX88810-100                                                                                                   |
| Hersteller               | GeneTex                                                                                                        |
| Wirt                     | Goat                                                                                                           |
| Kategorie                | Antikörper                                                                                                     |
| Applikation              | IHC-P, WB                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                              |
| Immunogen                | Peptide with sequence EHDICPKVKSTN, from the internal region of the protein sequence according to NP_473429.2. |
| Konjugation              | Unconjugated                                                                                                   |
| Klonalität               | Polyclonal                                                                                                     |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                    |
| Molekulargewicht         | 53                                                                                                             |
| NCBI                     | <a href="#">80339</a>                                                                                          |
| UniProt                  | <a href="#">Q9NST1</a>                                                                                         |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                             |

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                           |
| Anwendungsbeschreibung | WB: 0.01-0.03µg/ml. IHC-P: 4-6µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
