## Product Datasheet

### FOXP2 antibody, Internal, Unconjugated, Goat, Polyclonal GTX89199

|                          |                                                                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FOXP2 antibody, Internal, Unconjugated, Goat, Polyclonal                                                                                                                  |
| Artikelnummer            | GTX89199                                                                                                                                                                  |
| Hersteller Artikelnummer | GTX89199                                                                                                                                                                  |
| Alternativnummer         | GTX89199-100                                                                                                                                                              |
| Hersteller               | GeneTex                                                                                                                                                                   |
| Wirt                     | Goat                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | IHC-P, WB                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                |
| Immunogen                | Peptide with sequence C-DEVEYQKRRSQKIT, from the internal region of the protein sequence according to NP_055306.1, NP_683696.2, NP_683697.2, NP_683698.2, NP_001166237.1. |
| Konjugation              | Unconjugated                                                                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                                                                |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                               |
| Molekulargewicht         | 80                                                                                                                                                                        |
| Sensitivitaet            | This antibody is expected to recognize isoform I (NP_055306.1), isoform II (NP_683696.2), isoform IV (NP_683698.2) and isoform V (NP_001166237.1).                        |

|                        |                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">93986</a>                                                                                                                        |
| UniProt                | <a href="#">O15409</a>                                                                                                                       |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                                           |
| Formulierung           | Liquid                                                                                                                                       |
| Anwendungsbeschreibung | WB: 0.3-1µg/ml. IHC-P: 2-4µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
