## Product Datasheet

### IRAK4 antibody, N-term, Unconjugated, Goat, Polyclonal GTX89550

|                          |                                                                                                                           |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | IRAK4 antibody, N-term, Unconjugated, Goat, Polyclonal                                                                    |
| Artikelnummer            | GTX89550                                                                                                                  |
| Hersteller Artikelnummer | GTX89550                                                                                                                  |
| Alternativnummer         | GTX89550-100                                                                                                              |
| Hersteller               | GeneTex                                                                                                                   |
| Wirt                     | Goat                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                |
| Applikation              | IHC-P, WB                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                     |
| Immunogen                | Peptide with sequence NKPITPSTYVRC, from the N Terminus of the protein sequence according to NP_057207.2, NP_001107654.1. |
| Konjugation              | Unconjugated                                                                                                              |
| Klonalität               | Polyclonal                                                                                                                |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                               |
| Molekulargewicht         | 52                                                                                                                        |
| NCBI                     | <a href="#">51135</a>                                                                                                     |
| UniProt                  | <a href="#">Q9NWZ3</a>                                                                                                    |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                        |

|                        |                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                      |
| Anwendungsbeschreibung | WB: 1-3µg/ml. IHC-P: 3.75µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
