## Product Datasheet

### **Integrin beta 5 antibody, C-term, Unconjugated, Goat, Polyclonal GTX89579**

|                          |                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------|
| Artikelname              | Integrin beta 5 antibody, C-term, Unconjugated, Goat, Polyclonal                                              |
| Artikelnummer            | GTX89579                                                                                                      |
| Hersteller Artikelnummer | GTX89579                                                                                                      |
| Alternativnummer         | GTX89579-100                                                                                                  |
| Hersteller               | GeneTex                                                                                                       |
| Wirt                     | Goat                                                                                                          |
| Kategorie                | Antikörper                                                                                                    |
| Applikation              | WB                                                                                                            |
| Spezies Reaktivität      | Human, Mouse                                                                                                  |
| Immunogen                | Peptide with sequence C-TFNKFNKSYNGTVD, from the C Terminus of the protein sequence according to NP_002204.2. |
| Konjugation              | Unconjugated                                                                                                  |
| Klonalität               | Polyclonal                                                                                                    |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                   |
| Molekulargewicht         | 88                                                                                                            |
| NCBI                     | <a href="#">3693</a>                                                                                          |
| UniProt                  | <a href="#">P18084</a>                                                                                        |
| Puffer                   | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                            |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 0.1-0.3µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
