## Product Datasheet

### ERK2 antibody, Internal, Unconjugated, Goat, Polyclonal GTX89615

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ERK2 antibody, Internal, Unconjugated, Goat, Polyclonal                                                                                     |
| Artikelnummer            | GTX89615                                                                                                                                    |
| Hersteller Artikelnummer | GTX89615                                                                                                                                    |
| Alternativnummer         | GTX89615-100                                                                                                                                |
| Hersteller               | GeneTex                                                                                                                                     |
| Wirt                     | Goat                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | WB                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                       |
| Immunogen                | Peptide with sequence CAAGPEMVRGQVF, from the internal region of the protein sequence according to NP_002736.3, NP_620407.1.                |
| Konjugation              | Unconjugated                                                                                                                                |
| Klonalität               | Polyclonal                                                                                                                                  |
| Konzentration            | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                                                 |
| Molekulargewicht         | 41                                                                                                                                          |
| Sensitivitaet            | This antibody is expected to recognise an epitope corresponding to aa 9-19 of both reported protein isoforms of human ERK2 / MAPK1 protein. |

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">5594</a>                                                                                                        |
| UniProt                | <a href="#">P28482</a>                                                                                                      |
| Puffer                 | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                          |
| Formulierung           | Liquid                                                                                                                      |
| Anwendungsbeschreibung | WB: 0.5-2µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
