| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                                                                                               |
| Konjugation              | APC                                                                                                                                                                                                                                                           |
| Produktbeschreibung      | This gene is a member of the IL-17 receptor family which includes five members (IL-17RA-E) and the encoded protein is a proinflammatory cytokine produced by activated T cells. IL-17A-mediated downstream pathways induce the production of inflammatory ... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | FC (intra)                                                                                                                                                                                                                                                    |
| Molekulargewicht         | 18kDa                                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                                |
