| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                                                                                                              |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                 |
| Produktbeschreibung      | This gene encodes a member of a homeobox transcription factor gene family similar to the Drosophila distal-less gene. The encoded protein may play a role in bone development and fracture healing. Mutation in this gene, which is located in a tail-to-... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                   |
| Molekulargewicht         | 32kDa                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">1749</a>                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                               |
