| Immunogen                | Ala24-Lys580                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Recombinant Human C1qR/CD93 Protein is produced by HEK293 cells expression system. The target protein is expressed with sequence (Ala24-Lys580) of human CD93/C1QR1 (Accession NP_036204.2) fused with an Fc, 6*His tag at the C-terminus.... |
| Konzentration            | < 0.1 EU/μg of the protein by LAL method.                                                                                                                                                                                                     |
| Molekulargewicht         | 84.91 kDa                                                                                                                                                                                                                                     |
| Tag                      | C-hFc&His                                                                                                                                                                                                                                     |
