| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                   |
| Immunogen                | Gln24-Pro97                                                                                                                                                                                                                             |
| Produktbeschreibung      | Recombinant Mouse CCL7/MCP-3 Protein is produced by <i>Pichia</i> expression system. The target protein is expressed with sequence (Gln24-Pro97) of Mouse CCL7/MCP-3 (Accession NP_038682.1) fused with a his tag at the N-terminus.... |
| Konzentration            | < 0.1 EU/μg of the protein by LAL method.                                                                                                                                                                                               |
| Molekulargewicht         | 9.35 kDa                                                                                                                                                                                                                                |
| Tag                      | N-His                                                                                                                                                                                                                                   |

| UniProt                  | <a href="#">Q03366</a>                                                                                                                                                                                                                  |

|                        |                                                                 |
|------------------------|-----------------------------------------------------------------|
| Quelle                 | Pichia                                                          |
| Reinheit               | 95% as determined by SDS-PAGE.                                  |
| Formulierung           | Lyophilized from a 0.22 µm filtered solution of PBS, pH 7.4.    |
| Target-Kategorie       | Ccl7                                                            |
| Application Verdünnung | Lyophilized from a 0.22 µm filtered solution of PBS, pH 7.4.    |
| Anwendungsbeschreibung | ResearchArea: Cytokines & Cytokine receptors. Shipping: Ice Bag |
