| Artikelname              | CD97 Polyclonal Antibody, PE-Cy7 Conjugated, PE/Cy7, Rabbit                                                                                                                 |
| Artikelnummer            | BSS-BS-2522R-PE-CY7                                                                                                                                                         |
| Hersteller Artikelnummer | bs-2522R-PE-Cy7                                                                                                                                                             |
| Alternativnummer         | BSS-BS-2522R-PE-CY7-100                                                                                                                                                     |
| Hersteller               | Bioss                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                  |
| Applikation              | FC                                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                       |
| Konjugation              | PE/Cy7                                                                                                                                                                      |
| Produktbeschreibung      | Receptor potentially involved in both adhesion and signaling processes early after leukocyte activation. Plays an essential role in leukocyte migration (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                  |
| Konzentration            | 1ug/ul                                                                                                                                                                      |
| NCBI                     | <a href="#">976</a>                                                                                                                                                         |
| UniProt                  | <a href="#">P48960</a>                                                                                                                                                      |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                      |

|                        |                                                          |
|------------------------|----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human CD97 |
| Target-Kategorie       | CD97                                                     |
| Application Verdünnung | FCM(1:20-100)                                            |
