| Hersteller               | Aves Labs                                                                                                                                                                                                                                     |
| Wirt                     | Gallus                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                    |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                             |
| Immunogen                | Fusion protein amino acids 1-377 (full-length) of human FOS (accession number P01100) produced recombinantly in E. Coli                                                                                                                       |
| Konjugation              | FL650                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Our Anti-c-FOS chicken recombinant primary antibody from Aves Labs is produced in-house from hybridoma clone N486/32. It detects human, mouse, and rat c-FOS, and is purified by affinity chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Recombinant                                                                                                                                                                                                                                   |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                     |

|                  |                                   |
|------------------|-----------------------------------|
| Klon-Bezeichnung | [N486/32]                         |
| Molekulargewicht | 70 kDa                            |
| UniProt          | <a href="#">P01100</a>            |
| Puffer           | 1X PBS, 0.05% Sodium Azide pH 7.4 |
| Formulierung     | Liquid                            |
| Target-Kategorie | c-FOS                             |
| Antibody Type    | Primary Antibody                  |
