| Artikelnummer            | NSJ-F41638-0.4ML                                                                                                                                                                                                                   |
| Hersteller Artikelnummer | F41638-0.4ML                                                                                                                                                                                                                       |
| Alternativnummer         | NSJ-F41638-0.4ML                                                                                                                                                                                                                   |
| Hersteller               | NSJ Bioreagents                                                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                                                                         |
| Applikation              | ELISA, WB                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                              |
| Immunogen                | A portion of amino acids 163-189 from the human protein was used as the immunogen for this PAX1 antibody.                                                                                                                          |
| Produktbeschreibung      | This protein is a transcriptional activator. It may play a role in the formation of segmented structures of the embryo. May play an important role in the normal development of the vertebral column (By similarity). [UniProt]... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                         |
| UniProt                  | <a href="#">P15863</a>                                                                                                                                                                                                             |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                   |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                         |

|                        |                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                                                                                                         |
| Application Verdünnung | Western blot: 1:1000                                                                                                                                                                     |
| Anwendungsbeschreibung | The stated application concentrations are suggested starting points. Titration of the PAX1 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
