| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | A portion of amino acids 280-309 from the human protein was used as the immunogen for this BMP7 antibody.                                                                                                                                                     |
| Produktbeschreibung      | The bone morphogenetic proteins (BMPs) are a family of secreted signaling molecules that can induce ectopic bone growth. Many BMPs are part of the transforming growth factor-beta (TGFB) superfamily. BMPs were originally identified by an ability of de... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P18075</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Antigen affinity                                                                                                                                                                                                                                              |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                    |

|                        |                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------|
| Antibody Type          | Primary Antibody                                                                                                    |
| Application Verdünnung | Western blot: 1:1000,IHC (Paraffin): 1:10-1:50                                                                      |
| Anwendungsbeschreibung | Titration of the BMP7 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
