| Artikelname              | NKX6.2 Antibody, Rabbit, Polyclonal                                                                       |
| Artikelnummer            | NSJ-F46368-0.08ML                                                                                         |
| Hersteller Artikelnummer | F46368-0.08ML                                                                                             |
| Alternativnummer         | NSJ-F46368-0.08ML                                                                                         |
| Hersteller               | NSJ Bioreagents                                                                                           |
| Wirt                     | Rabbit                                                                                                    |
| Kategorie                | Antikörper                                                                                                |
| Applikation              | ELISA, WB                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                     |
| Immunogen                | A portion of amino acids 17-43 from the human protein was used as the immunogen for this NKX6.2 antibody. |
| Produktbeschreibung      | NKX6.2 is a DNA-dependent regulator of transcription....                                                  |
| Klonalität               | Polyclonal                                                                                                |
| UniProt                  | <a href="#">Q9C056</a>                                                                                    |
| Reinheit                 | Antigen affinity                                                                                          |
| Formulierung             | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                |
| Antibody Type            | Primary Antibody                                                                                          |
| Application Verdünnung   | Western blot: 1:1000                                                                                      |

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Titration of the NKX6.2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
