| Alternativnummer         | NSJ-V9299-100UG                                                                                                                                                                                        |
| Hersteller               | NSJ Bioreagents                                                                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | IHC-P                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                                                                  |
| Immunogen                | Purified His-tagged CDH1/Cadherin 1 protein was used as the immunogen for the Cadherin 1 antibody.                                                                                                     |
| Produktbeschreibung      | E-cadherin/Cadherin-1/CDH1 is a transmembrane, calcium dependent cell adhesion protein that mediates cell to cell adhesion and maintains structural and functional integrity of epithelial tissues.... |
| Klonalität               | Monoclonal                                                                                                                                                                                             |
| Klon-Bezeichnung         | [CDH1/4585]                                                                                                                                                                                            |
| UniProt                  | <a href="#">P12830</a>                                                                                                                                                                                 |

|                        |                                                                                     |
|------------------------|-------------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                                |
| Formulierung           | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide             |
| Antibody Type          | Primary Antibody                                                                    |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                               |
| Anwendungsbeschreibung | Optimal dilution of the Cadherin 1 antibody should be determined by the researcher. |
