| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC-P                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | A portion of amino acids 190-290 was used as the immunogen for the TMEM173 antibody.                                                                                                                                                                          |
| Produktbeschreibung      | TMEM17 (transmembrane protein 173) is a 379 amino acid protein encoded by a gene mapping to human chromosome 5. With 181 million base pairs encoding around 1,000 genes, chromosome 5 is about 6% of human genomic DNA. It is associated with Cockayne syn... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [STING1/7432]                                                                                                                                                                                                                                                 |
| UniProt                  | <a href="#">Q86WV6</a>                                                                                                                                                                                                                                        |

|                        |                                                                                  |
|------------------------|----------------------------------------------------------------------------------|
| Reinheit               | Protein A/G affinity                                                             |
| Formulierung           | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                   |
| Antibody Type          | Primary Antibody                                                                 |
| Application Verdünnung | Immunohistochemistry (FFPE): 1-2ug/ml                                            |
| Anwendungsbeschreibung | Optimal dilution of the TMEM173 antibody should be determined by the researcher. |
