| Hersteller               | Antibodies Incorporated                                                                                                                                                                                                                    |
| Wirt                     | Mouse                                                                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                                                                 |
| Applikation              | ICC, IHC                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                          |
| Immunogen                | Fusion protein amino acids 370-469 (C-terminus) of mouse Rufy3 (accession number Q9D394) produced recombinantly in E. Coli                                                                                                                 |
| Konjugation              | FL550                                                                                                                                                                                                                                      |
| Produktbeschreibung      | Our Anti-Rufy3 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone N483/84. It detects human, mouse, and rat Rufy3, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                 |
| Konzentration            | 0.5 mg/mL                                                                                                                                                                                                                                  |

|                        |                                              |
|------------------------|----------------------------------------------|
| Klon-Bezeichnung       | [N483/84]                                    |
| Molekulargewicht       | 55 kDa                                       |
| Isotyp                 | IgG2b                                        |
| UniProt                | <a href="#">Q9D394</a>                       |
| Puffer                 | PBS with 0.09% azide                         |
| Target-Kategorie       | Rufy3                                        |
| Antibody Type          | Primary Antibody                             |
| Anwendungsbeschreibung | Format: Purified by Protein A chromatography |
