| Hersteller               | Aviva                                                                                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                                                                                                                 |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human HSF2                                                                                                                                                                         |
| Produktbeschreibung      | HSF2 binds specifically to the heat-shock element and has homology to HSFs of other species. Heat shock transcription factors activate heat-shock response genes under conditions of heat or other stresses. Although the names HSF1 and HSF2 were chosen ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 60kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">3298</a>                                                                                                                                                                                                                                          |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
