## Product Datasheet

### HSPB1 Antibody - C-terminal region ASB-ARP30177\_T100

|                          |                                                                                                                               |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | HSPB1 Antibody - C-terminal region                                                                                            |
| Artikelnummer            | ASB-ARP30177_T100                                                                                                             |
| Hersteller Artikelnummer | ARP30177_T100                                                                                                                 |
| Alternativnummer         | ASB-ARP30177_T100-25UL,ASB-ARP30177_T100-100UL                                                                                |
| Hersteller               | Aviva                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                              |
| Applikation              | IHC, WB                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human HSPB1                                    |
| Produktbeschreibung      | HSPB1, like the other heat shock proteins, is part of a complex system of molecular chaperones in epidermal keratinocytes.... |
| Klonalität               | Polyclonal                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                     |
| Molekulargewicht         | 23kDa                                                                                                                         |
| NCBI                     | <a href="#">3315</a>                                                                                                          |
| UniProt                  | <a href="#">P04792</a>                                                                                                        |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
