| Hersteller               | Aviva                                                                                                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Bovine, Canine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat, Sheep                                                                                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human SLC26A3                                                                                                                                                                      |
| Produktbeschreibung      | SLC26A3 is a transmembrane glycoprotein that transports chloride ions across the cell membrane in exchange for bicarbonate ions. It is localized to the mucosa of the lower intestinal tract, particularly to the apical membrane of columnar epithelium a... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 84 kDa                                                                                                                                                                                                                                                        |
| NCBI                     | <a href="#">1811</a>                                                                                                                                                                                                                                          |

|              |                                                                                                   |
