| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rat, Sheep                                                                                                                                                                                                  |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human GATA5                                                                                                                                                                        |
| Produktbeschreibung      | The protein encoded by this gene is a transcription factor that contains two GATA-type zinc fingers. The encoded protein is known to bind to hepatocyte nuclear factor-1alpha (HNF-1alpha), and this interaction is essential for cooperative activation o... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 41kDa                                                                                                                                                                                                                                                         |
