### IRX2 Antibody - middle region ASB-ARP32188\_T100

|                          |                                                                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | IRX2 Antibody - middle region                                                                                                                                  |
| Artikelnummer            | ASB-ARP32188_T100                                                                                                                                              |
| Hersteller Artikelnummer | ARP32188_T100                                                                                                                                                  |
| Alternativnummer         | ASB-ARP32188_T100-25UL,ASB-ARP32188_T100-100UL                                                                                                                 |
| Hersteller               | Aviva                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                               |
| Applikation              | WB                                                                                                                                                             |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rat                                                                                                          |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human IRX2                                                                          |
| Produktbeschreibung      | IRX2 is a member of the Iroquois homeobox gene family. Members of this family appear to play multiple roles during pattern formation of vertebrate embryos.... |
| Klonalität               | Polyclonal                                                                                                                                                     |
| Konzentration            | 1.0 mg/ml                                                                                                                                                      |
| Molekulargewicht         | 49kDa                                                                                                                                                          |
| NCBI                     | <a href="#">153572</a>                                                                                                                                         |
| UniProt                  | <a href="#">Q9BZI1</a>                                                                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
