| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rat                                                                                                                                                                                                |
| Immunogen                | The immunogen is a synthetic peptide directed towards the c terminal region of mouse Foxa3                                                                                                                                                                    |
| Produktbeschreibung      | Foxa3 is a transcription factor that is thought to act as a pioneer factor opening the compacted chromatin for other proteins through interactions with nucleosomal core histones and thereby replacing linker histones at target enhancer and/or promoter... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 37kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">15377</a>                                                                                                                                                                                                                                         |

|              |                                                                                                   |
