| Artikelname              | ATF4 Antibody - N-terminal region                                                                                 |
| Artikelnummer            | ASB-ARP37017_P050                                                                                                 |
| Hersteller Artikelnummer | ARP37017_P050                                                                                                     |
| Alternativnummer         | ASB-ARP37017_P050-25UL,ASB-ARP37017_P050-100UL                                                                    |
| Hersteller               | Aviva                                                                                                             |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Proteine/Peptide                                                                                                  |
| Applikation              | IHC, WB                                                                                                           |
| Spezies Reaktivität      | Mouse                                                                                                             |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of mouse ATF4                         |
| Produktbeschreibung      | Atf4 binds to asymmetric cAMP response elements (CRE) as a heterodimer and to palindromic CREs as a homodimer.... |
| Klonalität               | Polyclonal                                                                                                        |
| Konzentration            | 0.5 mg/ml                                                                                                         |
| Molekulargewicht         | 42kDa                                                                                                             |
| NCBI                     | <a href="#">11911</a>                                                                                             |
| UniProt                  | <a href="#">Q61328</a>                                                                                            |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
