| Alternativnummer         | ASB-ARP37147_P050-25UL,ASB-ARP37147_P050-100UL                                                                                                                       |
| Hersteller               | Aviva                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                                                                     |
| Applikation              | IHC, WB                                                                                                                                                              |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                                                                             |
| Immunogen                | The immunogen is a synthetic peptide corresponding to a region of Mouse                                                                                              |
| Produktbeschreibung      | Stat5b carries out a dual function: signal transduction and activation of transcription. Stat5b binds to the GAS element and activates PRL-induced transcription.... |
| Klonalität               | Polyclonal                                                                                                                                                           |
| Konzentration            | 0.5 mg/ml                                                                                                                                                            |
| Molekulargewicht         | 90kDa                                                                                                                                                                |
| NCBI                     | <a href="#">20851</a>                                                                                                                                                |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">P42232</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
