| Kategorie                | Proteine/Peptide                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                       |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                    |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of mouse 2010315L10RIK                                                                                            |
| Produktbeschreibung      | cDNA library was prepared and sequenced in Mouse Genome Encyclopedia Project of Genome Exploration Research Group in Riken Genomic Sciences Center and Genome Science laboratory in RIKEN.... |
| Klonalität               | Polyclonal                                                                                                                                                                                    |
| Konzentration            | 1.0 mg/ml                                                                                                                                                                                     |
| Molekulargewicht         | 30kDa                                                                                                                                                                                         |
| NCBI                     | <a href="#">67023</a>                                                                                                                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| UniProt      | <a href="#">Q9CQ56</a>                                                                            |
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
