## Product Datasheet

### **RIPK1 Antibody - middle region** **ASB-AVARP02038\_P050**

|                          |                                                                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RIPK1 Antibody - middle region                                                                                                                              |
| Artikelnummer            | ASB-AVARP02038_P050                                                                                                                                         |
| Hersteller Artikelnummer | AVARP02038_P050                                                                                                                                             |
| Alternativnummer         | ASB-AVARP02038_P050-25UL,ASB-AVARP02038_P050-100UL                                                                                                          |
| Hersteller               | Aviva                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                      |
| Kategorie                | Proteine/Peptide                                                                                                                                            |
| Applikation              | WB                                                                                                                                                          |
| Spezies Reaktivität      | Bovine, Canine, Equine, Human                                                                                                                               |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human RIPK1                                                                      |
| Produktbeschreibung      | FAK overexpression in human tumors provides a survival signal function by binding to RIP and inhibiting its interaction with the death receptor complex.... |
| Klonalität               | Polyclonal                                                                                                                                                  |
| Konzentration            | 0.5 mg/ml                                                                                                                                                   |
| Molekulargewicht         | 76kDa                                                                                                                                                       |
| NCBI                     | <a href="#">8737</a>                                                                                                                                        |
| UniProt                  | <a href="#">Q13546</a>                                                                                                                                      |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
