## Product Datasheet

### **RGS9 Antibody - N-terminal region** **ASB-AVARP09024\_T100**

|                          |                                                                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RGS9 Antibody - N-terminal region                                                                                                     |
| Artikelnummer            | ASB-AVARP09024_T100                                                                                                                   |
| Hersteller Artikelnummer | AVARP09024_T100                                                                                                                       |
| Alternativnummer         | ASB-AVARP09024_T100-25UL,ASB-AVARP09024_T100-100UL                                                                                    |
| Hersteller               | Aviva                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                |
| Kategorie                | Proteine/Peptide                                                                                                                      |
| Applikation              | IHC, WB                                                                                                                               |
| Spezies Reaktivität      | Bovine, Canine, Equine, Human, Mouse, Rabbit, Rat                                                                                     |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human RGS9                                             |
| Produktbeschreibung      | RGS9 is a member of the RGS family of signaling proteins that suppress the activity of G proteins by promoting their deactivation.... |
| Klonalität               | Polyclonal                                                                                                                            |
| Konzentration            | 1.0 mg/ml                                                                                                                             |
| Molekulargewicht         | 49kDa                                                                                                                                 |
| NCBI                     | <a href="#">8787</a>                                                                                                                  |
| UniProt                  | <a href="#">O75916</a>                                                                                                                |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
