| Hersteller               | Aviva                                                                                                                                                                                                                                                         |
| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | ELISA, IF, IHC-P, WB                                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                | ZIC4 (NP_115529, 249 a.a. ~ 319 a.a) partial recombinant protein with GST tag. MW of the GST tag alone is 26 KDa.                                                                                                                                             |
| Produktbeschreibung      | This gene encodes a member of the ZIC family of C2H2-type zinc finger proteins. Members of this family are important during development, and have been associated with X-linked visceral heterotaxy and holoprosencephaly type 5. This gene is closely lin... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [3D5]                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">84107</a>                                                                                                                                                                                                                                         |
| Formulierung             | Liquid                                                                                                                                                                                                                                                        |
