| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | The immunogen is a synthetic peptide directed towards the C terminal region of human SLC26A1                                                                                                                                                                  |
| Produktbeschreibung      | SLC26A1 is a member of sulfate/anion transporter family. Family members are well conserved in their protein (aa length among species) structures, but have markedly different tissue expression patterns. Its gene is primarily expressed in the liver, pa... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 77kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">10861</a>                                                                                                                                                                                                                                         |

|              |                                                                                                   |
