| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Applikation              | IHC, IP, WB                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                                                                                                                                                                      |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human WBP11                                                                                                                                                                    |
| Produktbeschreibung      | WBP11 is a nuclear protein, which colocalizes with mRNA splicing factors and intermediate filament-containing perinuclear networks. WBP11has 95% amino acid sequence identity to the mouse Wbp11 protein. It contains two proline-rich regions that bind t... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molekulargewicht         | 70kDa                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">51729</a>                                                                                                                                                                                                                                         |

|              |                                                                                                   |
