| Alternativnummer         | ASB-ARP51994_P050-25UL,ASB-ARP51994_P050-100UL                                                                                                                                                       |
| Hersteller               | Aviva                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                     |
| Applikation              | WB                                                                                                                                                                                                   |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rat, Zebrafish                                                                                                                                     |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human CYC1                                                                                                                |
| Produktbeschreibung      | CYC1 is the heme-containing component of the cytochrome b-c1 complex, which accepts electrons from Rieske protein and transfers electrons to cytochrome c in the mitochondrial respiratory chain.... |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                            |
| Molekulargewicht         | 35kDa                                                                                                                                                                                                |
| NCBI                     | <a href="#">1537</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">P08574</a>                                                                                                                                                                               |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
