## Product Datasheet

### **SPIN1 Antibody - middle region** **ASB-ARP52248\_P050**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | SPIN1 Antibody - middle region                                                                 |
| Artikelnummer            | ASB-ARP52248_P050                                                                              |
| Hersteller Artikelnummer | ARP52248_P050                                                                                  |
| Alternativnummer         | ASB-ARP52248_P050-25UL,ASB-ARP52248_P050-100UL                                                 |
| Hersteller               | Aviva                                                                                          |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Proteine/Peptide                                                                               |
| Applikation              | WB                                                                                             |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                       |
| Immunogen                | The immunogen is a synthetic peptide directed towards the middle region of human SPIN1         |
| Produktbeschreibung      | SPIN1 may play a role in cell-cycle regulation during the transition from gamete to embryo.... |
| Klonalität               | Polyclonal                                                                                     |
| Konzentration            | 0.5 mg/ml                                                                                      |
| Molekulargewicht         | 30 kDa                                                                                         |
| NCBI                     | <a href="#">10927</a>                                                                          |
| UniProt                  | <a href="#">Q9Y657</a>                                                                         |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
