| Artikelname              | GABARAPL1 Antibody - N-terminal region                                                                                                                   |
| Artikelnummer            | ASB-ARP55398_P050                                                                                                                                        |
| Hersteller Artikelnummer | ARP55398_P050                                                                                                                                            |
| Alternativnummer         | ASB-ARP55398_P050-25UL,ASB-ARP55398_P050-100UL                                                                                                           |
| Hersteller               | Aviva                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                         |
| Applikation              | IHC, WB                                                                                                                                                  |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                            |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human GABARAPL1                                                           |
| Produktbeschreibung      | GABARAPL1 increases cell-surface expression of kappa-type opioid receptor through facilitating anterograde intracellular trafficking of the receptor.... |
| Klonalität               | Polyclonal                                                                                                                                               |
| Konzentration            | 0.5 mg/ml                                                                                                                                                |
| Molekulargewicht         | 14 kDa                                                                                                                                                   |
| NCBI                     | <a href="#">23710</a>                                                                                                                                    |
| UniProt                  | <a href="#">Q9H0R8</a>                                                                                                                                   |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
