## Product Datasheet

### HP1BP3 Antibody - N-terminal region ASB-ARP56874\_P050

|                          |                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------|
| Artikelname              | HP1BP3 Antibody - N-terminal region                                                                 |
| Artikelnummer            | ASB-ARP56874_P050                                                                                   |
| Hersteller Artikelnummer | ARP56874_P050                                                                                       |
| Alternativnummer         | ASB-ARP56874_P050-25UL,ASB-ARP56874_P050-100UL                                                      |
| Hersteller               | Aviva                                                                                               |
| Wirt                     | Rabbit                                                                                              |
| Kategorie                | Proteine/Peptide                                                                                    |
| Applikation              | WB                                                                                                  |
| Spezies Reaktivität      | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat                              |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human HP1BP3         |
| Produktbeschreibung      | HP1BP3 is the component of heterochromatin, may be involved in chromatin structure and function.... |
| Klonalität               | Polyclonal                                                                                          |
| Konzentration            | 0.5 mg/ml                                                                                           |
| Molekulargewicht         | 61kDa                                                                                               |
| NCBI                     | <a href="#">50809</a>                                                                               |
| UniProt                  | <a href="#">Q5SSJ5</a>                                                                              |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
