## Product Datasheet

### **RXFP3 Antibody - N-terminal region** **ASB-ARP59543\_P050**

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Artikelname              | RXFP3 Antibody - N-terminal region                                                            |
| Artikelnummer            | ASB-ARP59543_P050                                                                             |
| Hersteller Artikelnummer | ARP59543_P050                                                                                 |
| Alternativnummer         | ASB-ARP59543_P050-25UL,ASB-ARP59543_P050-100UL                                                |
| Hersteller               | Aviva                                                                                         |
| Wirt                     | Rabbit                                                                                        |
| Kategorie                | Proteine/Peptide                                                                              |
| Applikation              | WB                                                                                            |
| Spezies Reaktivität      | Bovine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat                                        |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human RXFP3    |
| Produktbeschreibung      | RXFP3 is the receptor for RNL3/relaxin-3. Binding of the ligand inhibit cAMP accumulation.... |
| Klonalität               | Polyclonal                                                                                    |
| Konzentration            | 0.5 mg/ml                                                                                     |
| Molekulargewicht         | 51kDa                                                                                         |
| NCBI                     | <a href="#">51289</a>                                                                         |
| UniProt                  | <a href="#">Q9NSD7</a>                                                                        |

|              |                                                                                                   |
|--------------|---------------------------------------------------------------------------------------------------|
| Formulierung | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
