| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human JAK2 around the phosphorylation site of Tyr1007. AA range:981-1030                                                                                                                 |
| Produktbeschreibung      | This gene product is a protein tyrosine kinase involved in a specific subset of cytokine receptor signaling pathways. It has been found to be constitutively associated with the prolactin receptor and is required for responses to gamma interferon. Mi... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                      |
| Molekulargewicht         | 130kD                                                                                                                                                                                                                                                        |
