| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                                                                                                                                     |
| Immunogen                | Synthesized phospho-peptide around the phosphorylation site of human Neu (phospho Tyr1221/Y1222)                                                                                                                                                              |
| Produktbeschreibung      | This gene encodes a member of the epidermal growth factor (EGF) receptor family of receptor tyrosine kinases. This protein has no ligand binding domain of its own and therefore cannot bind growth factors. However, it does bind tightly to other ligand... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molekulargewicht         | 180kD                                                                                                                                                                                                                                                         |
| NCBI                     | <a href="#">2064</a>                                                                                                                                                                                                                                          |

|                        |                                                                                                                                                              |
