| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, IF, IHC                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human MLK3. AA range:640-689                                                                                                                                                              |
| Produktbeschreibung      | The protein encoded by this gene is a member of the serine/threonine kinase family. This kinase contains a SH3 domain and a leucine zipper-basic motif. This kinase preferentially activates MAPK8/JNK kinase, and functions as a positive regulator of JN... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| NCBI                     | <a href="#">4296</a>                                                                                                                                                                                                                                          |
| UniProt                  | <a href="#">Q16584</a>                                                                                                                                                                                                                                        |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| Application Verdünnung | Immunohistochemistry: 1/100 - 1/300. ELISA: 1/20000. Not yet tested in other applications. |
