| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Applikation              | ELISA                                                                                                                                                                                                                                                         |
| Spezies Reaktivität      | Porcine                                                                                                                                                                                                                                                       |
| Produktbeschreibung      | This Porcine Nitric Oxide Synthase 3, Endothelial (NOS3) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates and other biological fluids . This product i... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                                |
| Sensitivitaet            | 5.4pg/mL                                                                                                                                                                                                                                                      |
| Proben                   | serum, plasma, tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                   |
| Target-Kategorie         | Porcine Nitric Oxide Synthase 3, Endothelial (NOS3)                                                                                                                                                                                                           |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
