| Spezies Reaktivität      | Rat                                                                                                                                                                                                                                                                    |
| Produktbeschreibung      | This Rat Peroxisome Proliferator Activated Receptor Gamma Coactivator 1 Alpha (PPAR $\gamma$ C1a) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates, cell lysates and other biological fluids... |
| Detektionsbereich        | 0.156-10ng/mL                                                                                                                                                                                                                                                          |
| Sensitivitaet            | 0.061ng/mL                                                                                                                                                                                                                                                             |
| Proben                   | tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                                           |
| Target-Kategorie         | Rat Peroxisome Proliferator Activated Receptor Gamma Coactivator 1 Alpha (PPAR $\gamma$ C1a)                                                                                                                                                                           |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                                   |
