| Kategorie                | Kits/Assays                                                                                                                                                                                                                             |
| Applikation              | ELISA                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                   |
| Produktbeschreibung      | This Human Protease, Serine 8 (PRSS8) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, urine and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 1.56-100ng/mL                                                                                                                                                                                                                           |
| Sensitivitaet            | 0.59ng/mL                                                                                                                                                                                                                               |
| Proben                   | serum, plasma, urine and other biological fluids                                                                                                                                                                                        |
| Target-Kategorie         | Human Protease, Serine 8 (PRSS8)                                                                                                                                                                                                        |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                    |
