| Alternativnummer         | RDD-RDR-PTHRP-MU-96,RDD-RDR-PTHRP-MU-48                                                                                                                                                                                                                        |
| Hersteller               | reddot Biotech                                                                                                                                                                                                                                                 |
| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                    |
| Applikation              | ELISA                                                                                                                                                                                                                                                          |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                          |
| Produktbeschreibung      | This Mouse Parathyroid Hormone Related Protein (PTHrP) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological... |
| Detektionsbereich        | 15.6-1000pg/mL                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 5.6pg/mL                                                                                                                                                                                                                                                       |
| Proben                   | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                         |
| Target-Kategorie         | Mouse Parathyroid Hormone Related Protein (PTHrP)                                                                                                                                                                                                              |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                           |
