| Kategorie                | Kits/Assays                                                                                                                                                                                                                                       |
| Applikation              | ELISA                                                                                                                                                                                                                                             |
| Spezies Reaktivität      | Rat                                                                                                                                                                                                                                               |
| Produktbeschreibung      | This Rat Tissue Factor (TF) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in plasma, tissue homogenates, cell lysates and other biological fluids . This product is for Research Use Only.... |
| Detektionsbereich        | 31.2-2000pg/mL                                                                                                                                                                                                                                    |
| Sensitivitaet            | 13.5pg/mL                                                                                                                                                                                                                                         |
| Proben                   | plasma, tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                              |
| Target-Kategorie         | Rat Tissue Factor (TF)                                                                                                                                                                                                                            |
| Anwendungsbeschreibung   | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                              |
